Reactive Power Demand Charge *(per kilovar per month)*

For each Kvar determined in accordance with Special Provision F of SC 3
of the Full Service Schedule \$ 0.26

The Contract Demand Charge and the As-used Demand Charge for primary distribution are applicable to all Customers. The Contract Demand Charge and the As-used Demand Charge for secondary distribution are applicable only to Customers with Low Tension Service. The total demand charge for each billing period, excluding the Reactive Power Demand Charge, will be the sum of the Contract Demand Charge and the As-used Demand Charge, if applicable. Each charge is determined by multiplying the billable demand for the respective time period by the rate applicable to the demand for that time period.
