If you have a gas emergency, such as a gas leak, leave the premises immediately if the odor is strong. If the odor is faint, open a window to air out the area, if possible, before you leave. Do not operate any electrical equipment at the location, not even a light switch. Report the leak to Con Edison by calling the emergency numbers listed above. When you call, use a telephone off premises where you smell the gas odor. Our emergency phone service operates 24-hours, every day.

Brooklyn, Queens and Staten Island residents served by Keyspan should call 1-718-643-4050.
