

SMART WAYS TO USE LESS

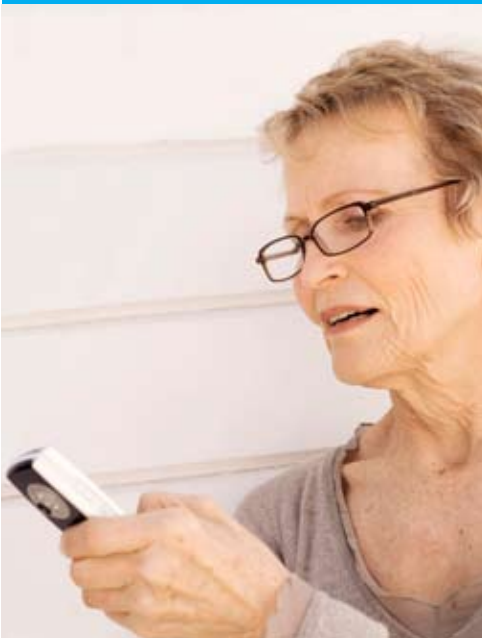

Wash Less, Save More

Save energy by using your washing machine only when it's full, and washing with cold water. It's an open-and-shut case.

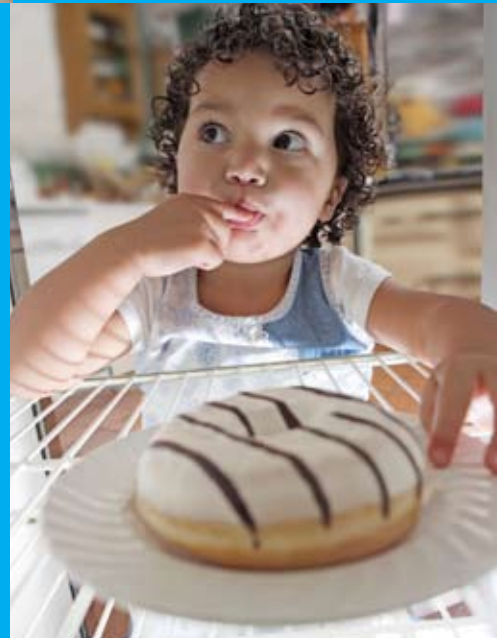

Keeping Things Cool

Open refrigerator and freezer doors only when necessary. And choose efficient Energy Star-rated appliances.

Keep Us In the Loop

Call **1-800-75-CONED** if you smell gas or to report power problems. Also, report electric power problems online at **conEd.com**.

Get Online, Not In Line

See and pay your bills online. Save time, paper, postage and trees. Go green with e*bill. Sign up at **conEd.com/ebill**.

See Daylight

During the day, turn off lights that are near windows and let daylight do the work for you.
