

## SMART WAYS TO USE LESS

### Recipe for Savings

Cooking with glass or ceramic pans lets you turn down the oven 25 degrees and get the same results.

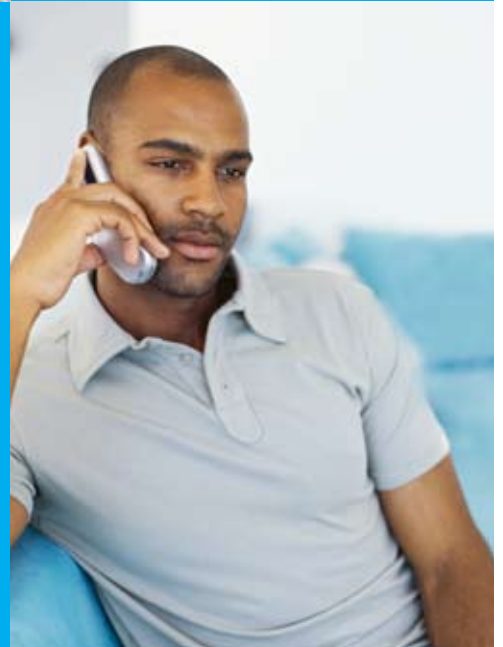

### Keep Us In the Loop

Call **1-800-75-CONED** if you smell gas or to report power problems. Also, report electric power problems online at **conEd.com**.

### Clean Is Green

Keeping your lint filter clean saves energy. Now if only we could do something productive with all that lint...

### We Can Do It

Together, Americans saved about \$19 billion on their utility bills in 2008 with the help of Energy Star products and programs.

### Be a Fan Fan

Use a portable or ceiling fan instead of AC. You'll use about 90% less energy.
