Con Edison Account Number:

Address: _____

Telephone: _____

City: _____

State: _____

Zip Code: _____

Service Address: _____

Number of residential dwelling units: _____

Dear Con Edison Customer:

Consolidated Edison Company of New York, Inc. ("Con Edison") is pleased to inform you that eligible Con Edison customers who have a service address with one (1) to four (4) residential dwelling units and both convert to a natural gas-fired heating system and install eligible high-efficiency gas-fired heating equipment, may be eligible to receive both a conversion rebate of \$1,500² and an equipment rebate of up to \$1,000 for installing eligible high-efficiency gas equipment.³ To be eligible for both rebates, you must submit two applications: 1) this completed application (Application for the Con Edison 2010 Gas Conversion Incentive Program (for Service Addresses with 1-4 Residential Dwelling Units) and meet the Eligibility Requirements and comply with the Other Terms and Conditions set forth below; and 2) a completed Con Edison 2009 Residential HVAC Electric & Gas Rebate Application for the high-efficiency equipment rebate, which can be found at www.coned.com/energyefficiency. For more information about this program, including information about the high-efficiency gas equipment rebate program, you may call 1-800-643-1289.

¹ Properties with more than four (4) residential dwelling units are not eligible to participate in this program.

² This conversion rebate offer for service addresses with 1-4 residential dwelling units is limited to the first 400 customers who meet all the eligibility requirements and comply with all of the terms and conditions for the rebate.

³ Please see "Con Edison Residential Gas HVAC Program – Eligible Measures" found at www.coned.com/energyefficiency for a list of eligible equipment and other eligible measures.

ELIGIBILITY REQUIREMENTS AND OTHER TERMS AND CONDITIONS

1. Oil must be the heating fuel currently used at the Service Address. If you are planning to install operable dual-fuel equipment or have the capacity to substitute another energy source for the output of the gas-burning equipment, you are not eligible for a rebate hereunder. Also, the existing gas service at the Service Address must be adequate for the additional heating load.
2. You must be in good credit standing on all of your currently existing Con Edison accounts.
3. You must also meet the Eligibility Requirements and comply with The Other Terms and Conditions for the rebate for installation of eligible high-efficiency gas-fired heating equipment and you must submit a completed copy of the Con Edison 2009 Residential HVAC Electric & Gas Rebate Application for the rebate for the installation of such high-efficiency equipment, which can be found at www.coned.com/energyefficiency.
4. The gas-fired equipment to be installed must have a minimum efficiency of 82% for gas-fired steam heating equipment, a minimum efficiency of 85% for gas-fired hydronic heating equipment, and a minimum of 90% for gas furnaces.
5. The gas-fired equipment must be installed by a contractor licensed in New York State who is participating in the Con Edison 2009 Residential HVAC Gas Program (a "Participating Contractor").⁴ For a list of Participating Contractors, please call 1-800-643-1289.
6. Gas-fired heating equipment shall be installed at the Service Address by a Participating Contractor, at customer's cost. Such equipment shall adequately meet all space-heating requirements for the Service Address and any oil storage facility shall be removed or rendered permanently inoperable, in accordance with applicable laws and regulations.
7. A copy of a completed and customer-signed Application for the Con Edison 2010 Gas Conversion Incentive Program (for Service Addresses with 1-4 Residential Dwelling Units) and a copy of the contractor's proposal for the installation of qualifying high-efficiency gas-fired heating equipment along with a copy of the Con Edison 2009 Residential HVAC Electric & Gas Rebate Application shall be sent to Con Edison Gas Sales by e-mail (Sales@coned.com) or fax (917-534-4457) and must be received by **February 26, 2010**.
8. A Contractor Work Request, completed by your contractor, shall be submitted to Con Edison Energy Services online at <http://www.coned.com/es> (click Project Center). The Contractor Work Request must be received by **February 26, 2010**.

⁴ Though participating contractors have completed certain training courses and met other requirements, Con Edison makes no promise, warranty or representation regarding any work performed by such contractor, Con Edison shall not be responsible for such work or for the failure by a participating contractor to perform any work.

9. The original completed and customer-signed Application for the Con Edison 2010 Gas Conversion Incentive Program (for Service Addresses with 1-4 Residential Dwelling Units) and the Con Edison 2009 Residential HVAC Electric & Gas Rebate Application shall be mailed to the address set forth below and must be received by Con Edison Gas Sales by **March 5, 2010**.

**Con Edison
Gas Sales–Gas Incentive Program
4 Irving Place –10th Floor North--Box #1
New York, NY 10003**

Con Edison shall not be responsible for lost, late, illegible or misdirected mail.

10. By **April 15, 2010**, your licensed contractor shall complete the required installation and supply to Con Edison Energy Services a completed Con Edison gas checklist along with other required documentation for Con Edison to proceed with and complete its work in providing gas to the customer. The gas checklist is available at <http://www.coned.com/es/projman/GasChecklist.pdf>. The completed gas checklist must be sent by fax to the applicable number set forth at the bottom of the gas checklist or through Project Center if the job was initially started thru the website, in order to be considered received.
11. All work to be performed by or on behalf of a customer applying for the rebates must be in compliance with all applicable federal, state and local laws, rules and regulations (including laws requiring the employment of licensed persons to perform such work) and all Con Edison requirements for gas service. You shall provide Con Edison, on a timely basis, with copies of all required governmental filings, permits, certificates of inspection and any other required documentation from the authorities having jurisdiction.
12. Con Edison will conduct a final inspection after all work has been completed and all necessary documentation has been received. If it is determined that you are eligible for the gas conversion rebate, please allow approximately six (6) to eight (8) weeks after such final inspection for receipt of the rebate. The rebate will be paid directly to customer.
13. You must provide a federal Employer Identification Number or Social Security Number in the space provided on this application. You shall be responsible for all taxes that may be imposed with respect to the rebate. You may want to consult a tax adviser about any tax consequences of this offer.
14. You will be eligible for the gas conversion rebate when, in Con Edison's sole discretion, you have complied with the requirements and terms and conditions hereof, you have contracted with a Participating Contractor for installation of gas-fired heating equipment, and you have met all legal and Con Edison requirements for gas heating equipment installation, as such requirements may be amended from time to time. You agree to reimburse Con Edison in an amount equal to the rebates received if the gas-fired heating equipment is not installed in accordance with all applicable federal, state and local laws, rules and regulations and Con Edison requirements for gas installation.

If you would like to receive this gas conversion rebate and you have met the foregoing eligibility requirements and agree to, and have complied with, the terms and conditions set forth above, please sign, or have your authorized representative sign, and return one copy of this application to Con Edison, Gas Sales - Gas Incentive Program, 4 Irving Place, 10th Floor North, New York, New York 10003 on or before February 26, 2010. We thank you in advance for your participation in our gas conversion incentive program.

Very truly yours,

CONSOLIDATED EDISON COMPANY OF
NEW YORK, INC.
