Dear Con Edison Customer:

Consolidated Edison Company of New York, Inc. ("Con Edison") is pleased to inform you that eligible Con Edison customers who have a service address with one (1) to four (4) residential dwelling units<sup>\*</sup> and both convert to a natural gas-fired heating system and install eligible high-efficiency gas-fired heating equipment, may be eligible to receive both a \$1,000 conversion rebate and rebate of up to \$1,000 for installing eligible high-efficiency gas equipment.<sup>\*\*</sup> To be eligible for such rebates, you must submit this completed application ("Application for the Con Edison 2009 Gas Conversion Incentive Program (for Service Addresses with 1-4 Residential Dwelling Units)") and meet the Eligibility Requirements and comply with the Other Terms and Conditions set forth below. In addition, you must submit a completed "Con Edison 2009 Residential HVAC Electric & Gas Rebate Application" for the high-

\*

Properties with more than four (4) residential dwelling units are not eligible to participate in this program.

\*\*

This rebate offer for service addresses with 1-4 residential dwelling units is limited to the first 500 customers who meet all the eligibility requirements and comply with all of the terms and conditions for the rebate.

efficiency equipment rebate, which can be found at [www.coned.com/energyefficiency](http://www.coned.com/energyefficiency). For more information about this program, including information about the high-efficiency gas equipment rebate program, you may call 1-800-643-1289.

## **ELIGIBILITY REQUIREMENTS AND OTHER TERMS AND CONDITIONS**

1. Oil must be the heating fuel currently used at the Service Address. If you are planning to install operable dual-fuel equipment or have the capacity to substitute another energy source for the output of the gas-burning equipment, you are not eligible for a rebate hereunder. Also, the existing gas service at the Service Address must be adequate for the additional heating load.
2. You must be in good credit standing on all of your currently existing Con Edison accounts.
3. You must also meet the Eligibility Requirements and comply with The Other Terms and Conditions for the rebate for installation of eligible high-efficiency gas-fired heating equipment and you must submit a completed Con Edison 2009 Residential HVAC Electric & Gas Rebate Application for the rebate for the installation of such high-efficiency equipment, which can be found [www.coned.com/energyefficiency](http://www.coned.com/energyefficiency).
4. The gas-fired equipment to be installed must have a minimum efficiency of 82% for gas-fired steam heating equipment and a minimum efficiency of 85% for gas-fired hydronic heating equipment.
5. The gas-fired equipment must be installed by a contractor licensed in New York State who is participating in the Con Edison Residential HVAC Gas Program (a "Participating Contractor").<sup>\*\*\*</sup> For Participating Contractors, please call 1-800-643-1289.
6. Gas-fired heating equipment shall be installed at the Service Address by a Participating Contractor, at customer's cost. Such equipment shall adequately meet all space-heating requirements for the Service Address and any oil storage facility shall be removed or rendered permanently inoperable, in accordance with applicable laws and regulations.

---

\*\*\*

THOUGH PARTICIPATING CONTRACTORS HAVE COMPLETED CERTAIN TRAINING COURSES AND MET OTHER REQUIREMENTS, CON EDISON MAKES NO PROMISE, WARRANTY OR REPRESENTATION REGARDING ANY WORK PERFORMED BY SUCH CONTRACTOR. CON EDISON SHALL NOT BE RESPONSIBLE FOR SUCH WORK OR FOR THE FAILURE BY A PARTICIPATING CONTRACTOR TO PERFORM ANY WORK.

7. A copy of a completed and customer-signed "Application for the Con Edison 2009 Gas Conversion Incentive Program (for Service Addresses with 1-4 Residential Dwelling Units)" and a copy of the contractor's proposal for the installation of qualifying high-efficiency gas-fired heating equipment shall be sent to Con Edison Gas Sales by e-mail ([Sales@coned.com](mailto:Sales@coned.com)) or fax (917-534-4457) and must be received by **September 30, 2009**.
8. A Contractor Work Request completed by your contractor shall be submitted to Con Edison Energy Services either online (<http://www.coned.com/es>) (click Project Center) or by fax - (914-921-1072) for Bronx/Westchester, (212-673-1729) for Manhattan, and (718-802-5806) for Queens. The Contractor Work Request must be received by **September 30, 2009**. The Contractor Work Request is available at (<http://www.coned.com/es>) (click Project Center).
9. The original completed and customer-signed "Application for the Con Edison 2009 Gas Conversion Incentive Program (for Service Addresses with 1-4 Residential Dwelling Units)" shall be mailed to the address set forth below and must be received by Con Edison Gas Sales by **October 7, 2009**.

**Con Edison  
Gas Sales–Gas Incentive Program  
4 Irving Place –10<sup>th</sup> Floor North--Box #1  
New York, NY 10003**

Con Edison shall not be responsible for lost, late, illegible or misdirected mail.

10. By **November 12, 2009**, your licensed contractor shall complete the required installation and supply to Con Edison Energy Services a completed Con Edison gas checklist and any other documentation required for Con Edison to proceed with and complete its work and provide gas service to customer. The gas checklist is available at <http://www.coned.com/es/projman/GasChecklist.pdf>. The completed gas checklist must be sent by fax to the applicable number set forth at the bottom of the gas checklist in order to be considered received.
11. All work to be performed by or on behalf of a customer applying for the rebates must be in compliance with all applicable federal, state and local laws, rules and regulations (including laws requiring the employment of licensed persons to perform such work) and all Con Edison requirements for gas service. You shall provide Con Edison, on a timely basis, with copies of all required governmental filings, permits, certificates of inspection and any other required documentation from the authorities having jurisdiction.
12. Con Edison will conduct a final inspection after all work has been completed and all necessary documentation has been received. If it is determined that you are eligible for the gas conversion rebate, please allow approximately six (6) to eight (8) weeks after such final inspection for receipt of the rebate. The rebate will be paid directly to customer.

13. You must provide a federal Employer Identification Number or Social Security Number in the space provided on this application. You shall be responsible for all taxes that may be imposed with respect to the rebate. You may want to consult a tax adviser about any tax consequences of this offer.
14. You will be eligible for the gas conversion rebate when, in Con Edison's sole discretion, you have complied with the requirements and terms and conditions hereof, you have contracted with a Participating Contractor for installation of gas-fired heating equipment, and you have met all legal and Con Edison requirements for gas heating equipment installation, as such requirements may be amended from time to time. You agree to reimburse Con Edison in an amount equal to the rebates received if the gas-fired heating equipment is not installed in accordance with all applicable federal, state and local laws, rules and regulations and Con Edison requirements for gas installation.

If you would like to receive this gas conversion rebate and you have met the foregoing eligibility requirements and agree to, and have complied with, the terms and conditions set forth above, please sign, or have your authorized representative sign, and return one copy of this application to Con Edison, Gas Sales - Gas Incentive Program, 4 Irving Place, 10<sup>th</sup> Floor North, New York, New York 10003 on or before September 30, 2009. We thank you in advance for your participation in our gas conversion incentive program.

Very truly yours,

CONSOLIDATED EDISON COMPANY OF  
NEW YORK, INC.
