Date: _____

Customer Name:

Con Edison Account Number:

Address: _____

Telephone: _____

City: _____ State: _____

Zip Code: _____

Service Address: _____

Number of residential dwelling units: _____

Dear Con Edison Customer:

Consolidated Edison Company of New York, Inc. ("Con Edison") is pleased to inform you that it is extending its gas conversion rebate program for service addresses with five (5) to twenty five (25) residential dwelling units. You may be eligible for a rebate of \$500 per residential dwelling unit for converting to a natural gas heating system at the service address set forth above (the "Service Address") if you meet the Eligibility Requirements and comply with the Other Terms and Conditions set forth below.

*

This rebate offer for service addresses with 5-25 residential dwelling units is limited to the first 50 customers who meet all the eligibility requirements and comply with all of the terms and conditions for the rebate.

ELIGIBILITY REQUIREMENTS AND OTHER TERMS AND CONDITIONS

1. Oil must be the heating fuel currently used at the Service Address. If you are planning to install operable dual-fuel equipment or have the capacity to substitute another energy source for the output of the gas-burning equipment, you are not eligible for a rebate hereunder. Also, the existing gas service at the Service Address must be adequate for the additional heating load.
2. You must be in good credit standing on all of your currently existing Con Edison accounts.
3. Gas-fired heating equipment shall be installed at the Service Address by a contractor licensed in New York State, at customer's cost. Such equipment shall adequately meet all space-heating requirements for the Service Address and any oil storage facility shall be removed or rendered permanently inoperable, in accordance with applicable laws and regulations.
4. A copy of a completed and customer-signed "Application for the Con Edison 2009 Gas Conversion Incentive Program (for Service Addresses with 5-25 Residential Dwelling Units)" and a copy of the contractor's proposal for the installation of gas-fired heating equipment that has been signed by the Customer shall be sent to Con Edison Gas Sales by e-mail (Sales@coned.com) or fax (917-534-4457) and must be received by **September 30, 2009**.
5. A Contractor Work Request completed by your contractor shall be submitted to Con Edison Energy Services either online (<http://www.coned.com/es>) (click Project Center) or by fax (914-921-1072) for Bronx/Westchester, (212-673-1729) for Manhattan, or (718-802-5806) for Queens and must be received by **September 30, 2009**. The Contractor Work Request is available at (<http://www.coned.com/es>) (click Project Center).
6. The original completed and customer-signed "Application for the Con Edison 2009 Gas Conversion Incentive Program for Service Addresses with 5-25 Residential Dwelling Units" shall be mailed to the address set forth below and must be received by Con Edison Gas Sales by **October 7, 2009**.

**Con Edison
Gas Sales--Gas Incentive Program
4 Irving Place --10th Floor North--Box #1
New York, NY 10003**

Con Edison shall not be responsible for lost, late, illegible or misdirected mail.

7. **By November 12, 2009**, your licensed contractor shall complete the required installation and supply to Con Edison Energy Services a completed Con Edison gas checklist and any other documentation required for Con Edison to proceed with and complete its work and provide gas service to customer. The gas checklist is available at <http://www.coned.com/es/projman/GasChecklist.pdf>. The completed gas checklist must

be sent by fax to the applicable number set forth at the bottom of the gas checklist in order to be considered received.

8. You shall purchase Firm Gas Transportation or Bundled Gas Sales Service from Con Edison under a firm sales service classification for the five (5) year period commencing upon the completion by Con Edison of its work to provide the gas service. If you subsequently request service under a non-firm service classification or purchase any alternative energy source during the five-year period, you shall be liable to reimburse Con Edison for the amount of the rebate and shall immediately refund to Con Edison such amount or Con Edison shall be entitled to bill you for such amount.
9. All work to be performed by or on behalf of a customer applying for the rebate must be in compliance with all applicable federal, state and local laws, rules and regulations (including laws requiring the employment of licensed persons to perform such work) and all Con Edison requirements for gas service. You shall provide Con Edison, on a timely basis, with copies of all required governmental filings, permits, certificates of inspection and any other required documentation from the authorities having jurisdiction.
10. Con Edison will conduct a final inspection after all work has been completed and all necessary documentation has been received. If it is determined that you are eligible for the requested rebate, please allow approximately six (6) to eight (8) weeks after such final inspection for receipt of the rebate. The rebate will be paid directly to customer.
11. You must provide a federal Employer Identification Number or Social Security Number in the space provided on this application. You shall be responsible for all taxes that may be imposed with respect to the rebate offer. You may want to consult a tax adviser about any tax consequences of this offer.
12. You will be eligible for the rebate when, in Con Edison's sole discretion, you have complied with the requirements and terms and conditions hereof, you have contracted with a licensed contractor for installation of gas-fired heating equipment, and you have met all legal and Con Edison requirements for gas heating equipment installation, as such requirements may be amended from time to time. You agree to reimburse Con Edison in an amount equal to the rebate, if the gas-fired heating equipment is not installed in accordance with all applicable federal, state and local laws, rules and regulations and Con Edison requirements for gas installation.

If you would like to participate in this gas conversion incentive program and you have met the foregoing eligibility requirements and agree to, and have complied with, the terms and conditions set forth above, please sign, or have your authorized representative sign, and return one copy of this application to Con Edison, Gas Sales - Gas Incentive Program, 4 Irving Place, 10th Floor North, New York, New York 10003 on or before September 30, 2009. We thank you in advance for your participation in our gas conversion incentive program.

Very truly yours,

CONSOLIDATED EDISON COMPANY OF
NEW YORK, INC.
