I receive government assistance. I understand I will not be asked to pay a deposit.

☐ I receive public assistance (PA). My case number, which appears on my PA identification card, is:

☐ I receive Supplemental Security Income (SSI).
(Not: SSI benefits are not the same as Social Security retirement benefits.) You will be required to provide documentation, such as your SSI award letter.

I have heat-related service.

☐ My primary heating service is started by electricity.

☐ I use an electric heater to supplement the heat provided by my landlord.

The following special hardships exist in my household:

☐ Medical condition (identify):

☐ Life-Support equipment (identify):

Please send:

☐ Enlarged bills
☐ Braille bills

Safety Turn-off Procedure

We can turn off service any time we discover a serious safety or technical problem. After the problem has been resolved, we’ll restore service as soon as possible.

Shared Metering

Shared metering exists when a tenant’s meter registers electric, gas or steam service used in the tenant’s dwelling and service used outside the tenant’s dwelling, or service to building equipment that provides heat, hot water, air conditioning, or other similar services to other tenants. If you rent an apartment and have a separate meter, you should be billed only for electricity or gas used inside your apartment. If you believe that you are being charged for service that others are using, notify Con Edison or contact the PSC at the telephone number or address given previously.

Special Protections

Con Edison provides special protections for elderly, blind, and disabled persons, persons with medical emergencies, and persons who rely on electrically operated life-support equipment. We offer a Quarterly Billing Plan, Third-Party Notification Program, and enlarged and braille bills. Call us to enroll or submit the form included in this brochure.

We will not disconnect service during a health or safety emergency. We do not disconnect heat-related service between Nov. 1 and April 15 without trying to contact an adult member of the household. If loss of service poses a serious health or safety problem, we will continue service for at least 15 days and try to arrange a payment plan. You are still responsible for bills and should make reasonable efforts to pay. We also notify persons in two-family dwellings, where service is not metered separately, when termination of service may affect them.

□ The following special hardships exist in my household:

☐ I use an electric heater to supplement the heat

☐ My primary heating service is started by electricity.

☐ I have heat-related service.

□ I receive Supplemental Security Income (SSI).
(Not: SSI benefits are not the same as Social Security retirement benefits.) You will be required to provide documentation, such as your SSI award letter.

should ask to speak with a supervisor who will review the situation with you. If you still disagree with our findings, you may contact the PSC at dps.ny.gov/complaints, or by phone at 1-800-342-3377, business days between 8:30 a.m. and 4 p.m., or by mail at 90 Church Street, 4th Floor, New York, NY 10007-2919.

**Rate Options**

Religious institutions, veterans’ organizations, and some community residences have the choice of being billed under either residential or non-residential rates. While residential rates are more economical for most customers, non-residential rates can be more favorable for certain customers.

**Income-Eligible Customers**

If you receive Supplemental Security Income, Temporary Assistance to Needy Persons, Safety Net Assistance, Medicaid, or SNAP (food stamps), or have received a Home Energy Assistance Program grant payable to any utility or heating provider in the preceding 12 months, you may be eligible for monthly discounts on your energy bill. Visit conEd.com/BillHelp or call 1-212-780-8899.

**Voluntary Time-of-Use Delivery Rates**

If you choose our time-of-use rate, you’ll pay less during off-peak periods than you would under our standard small commercial or residential rates, and more during peak and summer super-peak times. TOU off-peak is midnight to 8 a.m.; peak (8 a.m. to midnight); and summer super-peak is June 1 to September 30, 2 to 6 p.m.

If you were billed under a time-of-use rate prior to March 1, 2014, you can choose to be billed using those time periods, or peak: 10 a.m. to 10 p.m. and off-peak: 10 p.m. to 10 a.m. For more information, visit conEd.com/TOU or call 1-877-806-2830.

**Changes in Your Use of Energy**

Please let us know if you make changes to your premises, add equipment, or change your type of usage (residential to non-residential). Changes such as these may affect your service classification and the amount you pay. If your account is eligible under two different service rates, you will be able to choose the more beneficial rate.

**New Applications for Service**

Applicants for gas or electric service must have paid in full all bills on their past account or agree to a deferred-payment plan before a new account can be opened. Exceptions will be made only if the past-due balance is subject to a pending complaint or Con Edison is notified that it will receive payment from a government benefit program. We will notify you by letter within three business days of receiving your application if it has been denied. The letter will state the reason(s) for denial, exactly what you must do to be approved, and will inform you of your right to have the matter investigated by the PSC. New accounts may require a deposit, which will earn interest at a rate set by the PSC and will be returned after one year if your payment record is satisfactory.

**Shop for Energy Suppliers**

You can buy your electricity and/or gas supply from an energy services company (ESCO) instead of from Con Edison. If you choose to buy from an ESCO, Con Edison will continue to deliver your energy safely and reliably, and will respond to emergencies. To learn more, call 1-877-668-3234 or go to PowerYourWay.com.

HEFPA requires that Con Edison and ESCOs provide consumer protections and follow HEFPA procedures before disconnecting your electric or gas service. If you buy your electricity and/or gas from an ESCO, you will receive bills from Con Edison for supply and delivery charges. Con Edison may disconnect delivery service and the ESCO supply service if you do not pay all of the charges on your bill. If you receive a separate bill from your ESCO for supply, your ESCO must notify you if your energy supply will be disconnected for nonpayment.

**Payment Options**

You may pay your bill online or sign up for Auto Pay at conEd.com/MyAccount. If you don’t have an account, you can create one or pay online at conEd.com/GuestPay. You can also pay by phone at 1-888-925-5016. In addition, authorized payment agents throughout the area accept Con Edison bill payments without additional charges. Or, you can use our return envelope to pay by mail. Mail payments to Consolidated Edison, JAF Station, P.O. Box 1702, New York, NY 10116-1702. Do not send cash and do not mail correspondence to this address.

We offer a Level Payment Plan to spread your payments evenly over 12 months. If you are having payment problems, we’ll make every effort to work with you before disconnecting your service. If you need help, please call us at 1-800-75-CONED (1-800-752-6633).

You may be eligible for emergency benefits or other assistance programs. If we terminate your service for nonpayment, we will do so between 8 a.m. and 4 p.m., Monday through Thursday. We will reconnect service within 24 hours, if possible, when the amount due
