

## Increase in Billing and Payment Processing Charge

Effective March 1, 2014 the billing and payment processing charge applicable to customers increased from \$1.04 per bill to \$1.20. For customers with a combined electric and gas account, the portion of the charge applicable to electric service will be \$1.20 less the amount applicable to the gas service.

Effective March 1, 2014, the BPP rates are:

- Single Service Electric - \$1.20
- Single Service Gas - \$1.20
- Dual Service Electric \$0.60 and gas \$0.60
