Accelerated Switching

Beginning February 13, 2015 and in accordance with the Order Authorizing Accelerated Switching of Commodity Providers customers will be able to switch their electric commodity provider as early as five (5) business days prior to their cycle reading date, and they will be able to cancel a pending switch in commodity provider as late as the day before it would become effective.

- *A switch in commodity provider can be from the customer's utility to the ESCO, from an ESCO to the customer's utility, or from one ESCO to another ESCO.*

In addition, EDI enrollment responses will be provided within one (1) business day of receipt.

For your reference, please refer to the Order issued December 15, 2014 filed under Case [12-M-0476](#).

In observance of **President's Day** our offices will be closed on Monday, February 16th.
