

New ICAP Tags Effective 5/1/15

New capacity (ICAP) tags become effective for the May 1, 2015 through April 30, 2016 Capability period. These new ICAP tags are now available on the Retail Access Information System (RAIS).

Listed below are the RAIS files that updated with the new ICAP tags.

- Billing History Output File
- Billing History View Screen
- Daily Account Listing File

Please keep in mind that previous capacity tags (effective through April 30, 2015) are available in files provided prior to March 23, 2015.

Revised Capacity and Energy Reconciliation Guidelines

The revised Capacity and Energy Reconciliation Guidelines are now available. This revision includes the default tag tables for the new capability period and notes any changes to Service Class or Strata.
