

New ICAP Tags effective 5/1/16

New capacity (ICAP) tags become effective for the May 1, 2016 through April 30, 2017 Capability period. These new ICAP tags will be available on the Retail Access Information System (RAIS), as of Monday, May 9, 2016. We apologize for the delay.

Our IT Department is diligently working on updating our systems to provide the new ICAP Tags via EDI 814C. We expect for this change to be completed by Mid-June.

Again, we apologize for any inconvenience that this may have caused.

If you have any responses, comments or questions, please forward them to RetailAccess@coned.com, unless otherwise noted.
