

2025 Retail Choice Enrollment and Drop Deadlines

The 2025 Meter Reading Schedule is now available. There are a few things that are different between this schedule and what you have seen in previous years, namely:

- Includes a column for “Trip 22.” This new trip represents accounts that are billed on a calendar month basis every month (e.g. gas interruptible accounts or electric unmetered accounts)

Below is a summary of the Retail Choice Enrollment and Drop Guidelines:

Electric enrollment and drop requests must be submitted by 4:30 pm EST, at least 5 business days prior to the next scheduled meter reading cycle day. Electric enrollment and drop requests that are submitted on time will take effect 1 day after the next scheduled meter reading cycle day. Otherwise, the effective start or end date will occur 1 day after the following cycle date.

Gas enrollments and drops requests must be submitted by 4:30 pm EST, at least 10 business days prior to the 1st of the next month. Gas enrollment requests that are submitted on time will take effect on the 1st of the next month. Otherwise, the effective start date will occur the 1st of the following month. Gas drop requests that are submitted on time will take effect on the last day of the current month. Otherwise, the effective end date will occur on the last day of the next month.
