

TODRS update on RAIS website

Please note, due to system enhancements with the TODRS/RAIS Interface, the NYISO Reported Data within the Downloads module, will not be available on RAIS from Friday 5/2/25 4pm until Tuesday 5/6/25 8am. The rest of the site will still be active and functioning. This enhancement will add CC&B account IDs to Customer Hourly Meter Data Load and Customer Details - ZCD Report.
