

Retail Access Modernization Project – EDI Supplemental Guidelines Survey Reminder

As a reminder, the Company sent a Supplemental EDI Guidelines Survey following the Annual Electric Marketer Meeting on October 21, 2025. This is a final reminder to complete this survey prior to its close **TOMORROW, Thursday, November 6**.

[CLICK HERE](#) to take the survey.

- When you click the survey link, you may receive a pop-up that prompts you to allow access to SurveyMonkey.com. Please allow access in order to complete the survey.
- The system allows one survey submission per participant. You may forward the survey to other participants at your firm if necessary.

The EDI Supplemental Guidelines Survey will help gather ESCO input for consideration as we work on updating the existing Company Supplemental EDI Guidelines.

The target audience for the survey are those active participants in the Company's Retail Access programs.
