Here's how it works:

1. Log in to Retail Access at www.coned.com/retailaccess
 - Contact us at retailaccess@coned.com if you do not have a username and password.
2. Select the "**Interval Data**" tab on the left.
3. Enter the required information for which you would like the data compiled.
 - 15 Digit account number
 - Start date & end date
 - Select 60, 30 or 15 minute intervals
4. You will receive acknowledgment that the data has been processed and it will be e-mailed within 24 hours to the address provided.
 - The data will be in a **Tab Separated Value** format which can easily be copied and pasted to an Excel spreadsheet.

Please note that the tool only allows up to one year of data. If you require multiple years, you will have to enter multiple requests.
