

ICAP Tag System Update

The ICAP Tag on our RAIS website will be synchronized with our new system (TODRS) on Monday, December 5, 2016. The updated ICAP Tag will be visible on Tuesday, December 6, 2016 on our RAIS website. Any changes to the ICAP should be minimal for most customers.

Any questions regarding this ICAP Tag update should be directed to forecastingservices@coned.com

In addition, the 814C containing the updated ICAP Tags will begin to be sent on Tuesday, December 6, 2016. Due to the volume of files, these 814C will be staggered by trip. Please note that if you are the pending marketer during this stagger, you will not receive an 814C regarding the ICAP Tag.

Any EDI question should be directed to retailaccess@coned.com.

If you have any responses, comments or questions, please forward them to RetailAccess@coned.com, unless otherwise noted.
