

A map of Central Park in New York City, showing a distribution of green triangles representing data points. The map includes street names such as Broadway, Amsterdam Avenue, Central Park West, Riverside Drive, and Henry Hudson Parkway. Several area numbers are visible: 10025, 10024, 10023, 10069, 212/646, and 10075. The triangles are densely clustered in the central and eastern parts of the park, with some scattered in the western part. The map also shows the Hudson River to the west and various smaller streets and avenues.
