I request a waiver from Con Edison of the Minimum Insulation Standards for Existing Buildings Converting to Gas or Electric Space Heating issued by the New York Public Service Commission for the following reason(s):

- Compliance with the standards will result in a payback period of greater than seven years. (Two estimates are attached)
- The dwelling is a historical building.
- The overall heat loss of the building does not exceed the total heat loss which would result from conformance with the Minimum Insulation Standards. (An engineering certification is attached.)
