

Consolidated Edison Company
of New York, Inc.
4 Irving Place
New York NY 10003
www.conEd.com

April 2015

ATTENTION: Con Edison customers in Brooklyn, Bronx, Manhattan, Queens, Staten Island and Westchester County.

If your building is identified in one of the categories listed below, you now have several options to submit 24/7 electric emergency personnel contact information to Con Edison.

- Hospitals and Emergency Medical Facilities
- Emergency Shelters and Cooling Centers
- Fire, Police, Paramedics, and Rescue Facilities
- Emergency Management Offices
- Water Supply and Sewage Facilities
- Critical Utility and Communications Facilities
- Fuel Transfer and Fuel Loading Facilities (ports)
- Mass Transit (tunnels, bridges, ferry terminals, major bus and rail facilities)
- Airports
- Military Bases
- Critical Flood Control Structures
- Nursing Homes and Dialysis Centers
- Facilities to support other critical government functions
- Prisons and Correctional Facilities
- High-Rise Residential Buildings that are 6 to 11 floors with an elevator; residential buildings 12 floors or higher supplied by secondary service (non-vault) or high rise residential buildings 12 floors or higher, supplied by a transformer. This applies to buildings in Brooklyn, Bronx, Manhattan, Queens and Staten Island.
- Major Customers with demand greater than 1000KW
- Communications (radio, TV, telecommunications, etc.)
- Event Specific Concerns
- Customers providing key products and services (food warehouse and delivery, pharmaceuticals, etc.)
- Managed Accounts, Large Employers, and Other Key Customers
- Government Buildings, Schools, and Colleges

Note: Your primary emergency contact personnel should be available 24/7.

Please select one of the following options below to register your building's 24/7 emergency personnel contact information,

Option 1

Complete '**Form A-1-5 Accounts**' (See link at bottom of page) and submit completed form(s) via email to: EO-SupportOperations646654-2629@coned.com.

Option 2
