

# Commercial & Industrial Clean Heat Program

## 2025 Clean Heat Bonus Incentives

### How to Qualify & Apply for Bonus Incentives\*

#### Key Deadlines:

- Submit your project application package by May 31, 2025
- Complete installation and submit required documents by October 15, 2025
- Pass post inspection by November 15, 2025

Category	Measures	Rate Unit	Existing Buildings		
			Base Incentive Rate	Bonus Incentive Rate	Total Incentive Rate
4	Full Load Space Heating	\$/mmbtu	\$120	\$75	\$195
4A	Full Load Space Heating – Tier 1	\$/mmbtu	\$120	\$75	\$195
	Full Load Space Heating – Tier 2	\$/mmbtu	\$150	\$75	\$225
6	Hot Water Heating Applications	\$/mmbtu	\$200	\$75	\$275
10	Partial Load Space Heating	\$/mmbtu	\$70	\$75	\$145

\*Not applicable to ground-source heat pumps. All projects are subject to the Clean Heat Program's incentive cap; 50% of project cost or \$1M, whichever is lower.
