

Instant Lighting Incentive Program

Eligible Products & Incentives

Get incentives for high-efficiency ENERGY STAR® & DesignLights Consortium® LED lamps, fixtures, retrofit kits, and controls.

The **Qualified Product Lists** (QPLs) contain current product information and model numbers for eligible lamps, fixtures, retrofit kits, and controls. Prices and product names in the **Instant Lighting Participating Contractor Handbook** and other supporting documents are intended as a reference and are not meant to replace the QPLs.

Product Category	Certification	QPL
LED Lamps, Fixtures & Retrofit Kits and Controls	ENERGY STAR	energystar.gov/productfinder/product/certified-light-bulbs energystar.gov/productfinder/product/certified-light-fixtures
LED Lamps, Fixtures & Retrofit Kits and Controls	DesignLights Consortium (DLC®)	designlights.org/qpl

Incentive Levels:

Levels are per unit and may change based on lighting market trends and program performance. Pricing may vary by manufacturer and/or distributor. Validate measure eligibility on the **Instant Lighting Distributor Portal** or contact the program team if you are uncertain about a product's eligibility or incentive level. Any lighting measure not listed below is currently not eligible for incentives through Con Edison's **Instant Lighting Incentive Program**.

- All measures are a one-to-one replacement and must match the categories below.
- Incentives rates are effective the date the sale is submitted.
- All projects are subject to post-inspection.
