Contact Energy Services for Distributed Generation Projects

You can reach Energy Services from 7 a.m. to 3:30 p.m. Monday through Friday.

Find your Energy Services Representative

Upon submission of an interconnection application, you will be assigned a Customer Project Manager (CPM) based on the region of your project. Your CPM is your first point of contact at Con Edison. Their contact information will be listed on the acknowledgement email you receive when you submit your project.

Follow Up With Energy Services

If you have contacted your CPM in Energy Services and haven't received a response within two business days, contact the CPM's Manager:
