---

The S-SFA Project Host shall submit the following documents along with this checklist to the Company in the manner indicated. Once the Company receives all completed forms, the 60-day Enrollment Period will begin. The Company will notify the S-SFA Project Host via email upon receipt of all completed enrollment documents.

As a prerequisite, the **Intent to Participate in SFA form** must first be completed in PowerClerk. Registration for the Value Stack Customer Portal is then required to log in and submit enrollment documents as file uploads to the associated case. A VDER specialist will coordinate with the S-SFA Project Host to complete account setup, provide the requested documents, and monitor its completion throughout the interconnection and enrollment process.

Updates or additional requests about the submitted documents will be communicated through the Value Stack Customer Portal and e-mail. Please read more about what customer requests and communications are available in the portal once a project is live: [Value Stack Customer Portal](#)
