

## Contact Energy Services

### Distributed Generation & Electric Vehicle Projects

#### Business Hours:

Energy Services can be reached from 7 a.m. to 3:30 p.m. Monday through Friday.

#### Your Energy Services Representative:

Upon submission of an interconnection application, you will be assigned a Customer Project Manager (CPM) based on the region of your project. Your CPM is your first point of contact at Con Edison. Their contact information will be listed on the acknowledgement email you receive when you submit your project.

#### Following Up with Energy Services:

If sending an email, include the Job Number (MC-XXXXXX) and in the body of your email include the address, your CPM's name, your contact information, and your question. Also upload the email to your Con Edison case in Project Center.
