Hello Again

Not sure how the weather has been around your neighborhood but here in the northeast it seems that summer took its time arriving. Eventhough, I'm sure the heat will be here long enough for us to wish for cooler days. Things have been pretty quite with the Connection but we are continuously hearing from many of you with questions that come up or suggestions which we appreciate. That's what the e-Mail Connection is all about Keeping in touch and helping out when we can. Our contact at Edison, Joe Schiavone, has taken a position at the Learning Center and we all wish him luck in his pursuits. Joe has always been there to help out and he will be missed. As of now there has been no replacement announced.

During the past few months the Con Ed Store has changed and is utilizing Staples to coordinate Logo apparel and other merchandise. Currently this site is for Bulk Orders Only. We have requested this be changed so that individual items can be purchased and they have told us they are addressing this so we'll let you know as soon as it happens. You should check it out since they have truly expanded their inventory. See the Retirees Websites later on in this correspondence to find the website.

Well since then our membership has increase significantly with 73 new members since December. Our total membership in the e-Mail Connection is 2396. If anything, that shows that spreading the word to our fellow retirees really does impact our membership. So if you

know a Con Ed retiree, please let them know about us and have them take advantage of what we have to offer. We also invite retiree's widows or windowers to enroll. They often have many questions regarding benefits or other items that we can assist with or at least point them in the right direction. Do your part and spread the word.

Other than that, may the coming seasons bring you health and happiness, renewal of old acquaintances and the meeting of new friends, distant travels or the cozy comfort of your home and may we all experience a wonderful retirement that is well deserved. As always, it is the Coordinators who make this all possible and I wish to thank them for so generously giving of their time to keep us informed and Connected. Have a safe and enjoyable spring and summer.

Retirement Clubs

Although the e-Mail Connection is not associated with any specific retiree club, we do appreciate all they do for us. Their continued success depends on their membership and those who volunteer to offer their time to ensure that success. Some clubs are struggling to get people to take positions of responsibility so if you are inclined to be a leader and want to get involved contact the clubs president. You'll be glad you did. Let's support them by attending their meetings and activities and by getting involved. Even if you can't attend a club meeting, by joining one you are insured of receiving its' newsletters and other announcements. Know of any new retirees; let them know about the clubs.

On the Club page following this letter you will find a list of all the Con Ed Retiree Clubs, their Presidents and contact information. These Clubs offer retirees the opportunity to socialize with old friends, keep informed on retiree topics, travel and just have fun. We strongly suggest that if there is one in your area, join it and participate in its activities.

Directories

We are again pleased to send to you this update of The Con Edison Retirees e-Mail Connection. The update includes the names of new members who have joined us in the last six months. Following the "Know your Presidents Page" and prior to the Directory you will find a listing of the names of those new members. Their names are also marked in the Directory with an asterisk after their last names. Beside actual retirees, we also invite surviving spouses to join our membership or to remain as members.

A second Directory will follow in a separate email, sorted by State and Zip Code, to make it easier to locate other retirees living near you.

Since the coordinators do fill in for each other while away from home, it is beneficial to enter all the coordinators email addresses into your contact list. This will ensure that you receive all the mail that you are due.

Obituaries

Although we do forward information regarding the death of active and retired Con Ed workers, we depend solely on your input. If you are aware of the passing of such a person, and it is timely as to notify our members, please forward the information to your coordinator and we will do our best to distribute the information. You can also review the corporate information regarding retirements and obituaries on the Con Ed Retirees website.

Know your Presidents

For those of you who may want to contact other clubs for information, we are supplying you with the Name, Addresses and Phone numbers of the presidents of all the existing Retiree Clubs.
